**Theme Presenter: Rev. Debra Bowman**

Debra is an ordained minister and with her husband Bob is the parent of three young adult men. She has served two other pastoral charges and as Executive Secretary of BC Conference. Debra is currently serving her one year term as President of BC Conference.

**Musician: Linnea Good** has led singing, worship and musical reflections across the breadth of Canada, in the United States, Australia and New Zealand. Now based in Summerland, BC, she has worked in "Musical Animation" for congregations, conferences, international events, television, and radio. Linnea's music is found far and wide. She is the youngest of the United Church of Canada's hymnbook contributors. She contributed to virtually every year of (Wood Lake Books) Whole People of God curriculum music and now to Seasons of the Spirit.

**Worship Leader: Keri Wehlander** is an author, hymn lyricist, liturgical dancer and leader of retreats and workshops. Spirituality and the arts provide a primary focus for her work in various settings in both Canada and the U.S. A passion for making biblical stories and imagery come alive is at the heart of her work. She consistently seeks to find ways of integrating artistic expression into the life of the church.

**Banner**

Designed to reflect the shimmer and joy experienced by women united in living out our Christian calling. Fabrics representing each colour of the rainbow are woven together, forming new colours where they intersect, just as when our lives intersect; we too are transformed.

Bells are hung in the spaces between the fabrics, calling each of us individually and corporately, to form a community of christian Love.

We recognize our structure, along with our individuality, to dance and move independently, as reflected in the delicate fabrics at the lower edge of this banner. Designed by:

Kathleen Brown, Garden City United Church. Vic.
